

THANK YOU FOR HELPING MOA

♥ REAGAN

## REAGAN

**Birthdate:** May 11<sup>th</sup>, 2005

**Medical History:** Reagan was diagnosed with Spinal Muscular Atrophy Type II. SMA II is one of the 43 Neuromuscular diseases covered by MDA's research programs.

**Interests:** Reagan loves singing, doing various arts and crafts projects, reading books, and going on adventures with her family.

**Activities:** Reagan is involved in Top Soccer, Music and Art programs through the Park and Recreation Program.

**Home and Family:** Reagan is an only child and lives with her mother and father, Jennifer and Joseph Imhoff, in the city of New Berlin, WI. The Imhoffs have been very involved in multiple MDA events and next year will be Reagan's first year at MDA Summer Camp! Reagan is a very special, beautiful girl with a wonderful personality and brings a smile to your face without even trying!

# Happy Holidays!

Thank you for purchasing your vehicle  
from Boucher Automotive Group.

A \$100 donation was made to the  
Muscular Dystrophy Association on your behalf.
